

## KWC AQUA3000OPEN Screw-in temperature sensor

Modell-Linie: AQUA3000OPEN | ZAQUA017  
Water management systems | Complementary parts water management

### KWC-No.

**2000100972**  
Screw-in temperature sensor

Screw-in temperature sensor for application with A3000 open thermostat fittings with function block for recording temperatures

with PT1000 measuring element, for monitored thermal disinfection at the discharge fitting.

### Technical Data

type of sensor

temperature sensor
